March

Cutting Instructions

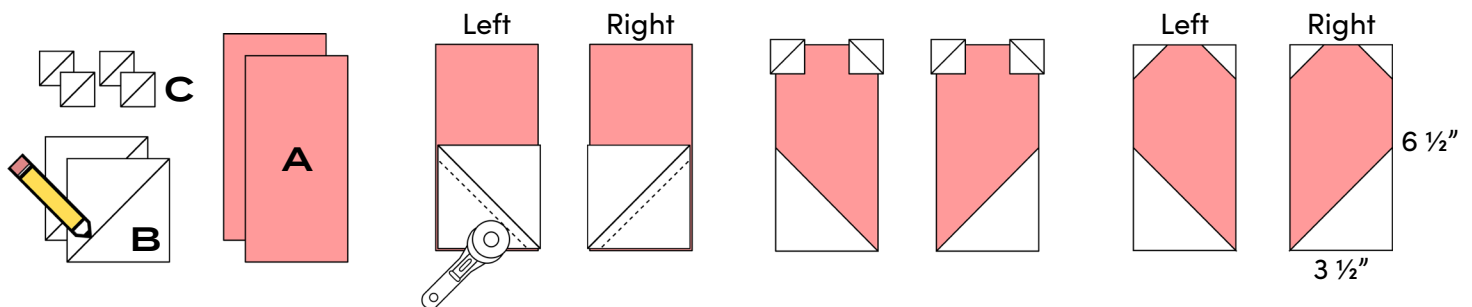

6" Block (6 1/2" unfinished)	
Medium/Dark (A)	(2) 3 1/2" x 6 1/2" rectangles
Light (B)	(2) 3 1/2" squares
Light (C)	(4) 1 1/2" squares

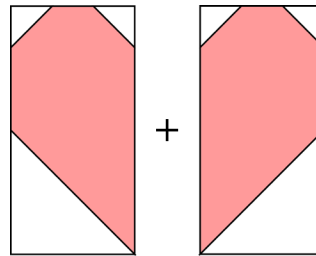

Designer Note: Follow the block guide shown for fabric placement. Units are labeled A-C.

Piecing Instructions

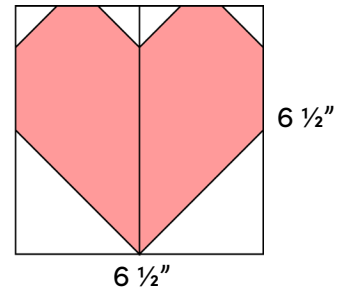

1. Draw a diagonal line on the wrong side of (2) B – squares and (4) C – squares using an erasable marker or pencil. Set the C – squares aside for Step 4.
2. Place (2) A – rectangles onto your workstation vertically. Place (1) B – square onto the bottom corner of each A – rectangle, right sides together. Reference the diagram for the orientation of the drawn diagonal line for the left and right sides of the Heart Unit.
3. Sew along the drawn diagonal lines. Trim the excess corner fabric to a 1/4" and press toward the corners.
4. Repeat stitch and flip techniques to attach (1) C – square to both top corners of each A – rectangle to complete the left and right sides of the Heart Unit.

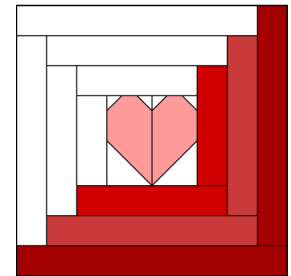

5. Sew the left and right sides of the Heart Unit together to complete the March Block Center. Press the seam to one side. Once complete, the March Block Center should measure 6 1/2" x 6 1/2" unfinished.

March Block Center

6. If you are completing the Large Quilt, arrange the prepared rectangles (A-L) around the March Block Center. Referencing the General Log Cabin Instructions, attach rectangles one at a time until complete. The March Block for the Large Quilt should measure 18 1/2" x 18 1/2" unfinished.
